

MESSAGE

I wish to extend my warm greetings to the Bisayan community for organizing the Bisaya Summer Picnic 2009 on July 11, 2009 in San Pedro, California.

I commend your organization for a very informative and comprehensive website that continues to foster camaraderie among Bisayans in Southern California and provide a platform for undertaking socially relevant projects benefiting our country, such as your financial assistance to street children in Cebu City.

Mabuhay!

MARY JO A. BERNARDO-ARAGON
Consul General
